Minutes of Meeting

The meeting of Program Assessment Committee of Computer Science and Engineering was held on 17th March, 2023. The following PAC members were present:

- | | |
|----------------------------|----------------------------|
| 1. Dr. Pankaj Kumar | Convener |
| 2. Dr. Nidhi Saxena | Member Secretary |
| 3. Er. Sandeep Kumar Dubey | Member |
| 4. Er. Preeti Naval | Member |
| 5. Dr. Atul Kumar | Special Invitee (Internal) |
| 6. Dr. Manoj Kumar Gupta | Special Invitee (External) |
| 7. Er. Ishika Singh | Alumni |
| 8. Mr. Nirmesh Kumar | Industry Expert |
| 9. Dr. Prabhat Verma | External Member |

Dr. Nidhi Saxena welcomed the members in the meeting and Dr. Pankaj Kumar shared the agenda of the meeting. Thereafter the formal meeting started with the discussion of each point in agenda. Following points were discussed in the meeting:

Agenda 1: Course Outcome for even semester of session 2022-23 was put up in the meeting and discussed with the external members. Convener Dr. Pankaj Kumar described the process of CO-PO mapping process.

- Expert Dr. Prabhat Verma had a query that how can all COs mapped with all POs. In this regard Convener Dr. Pankaj Kumar told the expert that the faculty prepare the course plan and takes lectures accordingly.

Agenda 2: Identified Curriculum gaps were discussed. Few suggestions were given by PAC members—

- It was suggested by expert Mr. Nirmesh Kumar to include use of Agile tools in Object Oriented Programming and Software Engineering.
- It was also suggested by the expert Dr. Manoj Kumar Gupta to include group activities and student presentation to fulfil the other gaps.
- Expert Dr. Prabhat Verma suggested that the major gaps should be communicated to AKTU as well. In this regard Dr. Atul Kumar told that in past major gaps were already being communicated to AKTU.

Agenda 3: Discussion to bridge the identified Curriculum gap beyond syllabus for odd semester of session 2022-23.

- During discussion the Convener Dr. Pankaj Kumar conveyed that seminar/workshops/Guest lecture were conducted to bridge the previous semester gap.

Agenda 4: Discussion related to research promotion activities including Faculty and student publication in refereed Journals and Conferences and patents of students and faculties.

- Expert Dr. Manoj Kumar Gupta suggested promoting faculty for publication in collaboration with students. In this regard Er. Sandeep Kumar Dubey told that in final year B.Tech project, students must have to publish paper related to their project with the faculty guide.
- Experts also suggested to promote students for digital/video publications like blog, articles and you tube videos related to their project.
- Convener communicated to experts that for promoting research activities there is a research incentives policy in the college under which faculties are monetary benefited.

Agenda 5: Discussion made for addition of VAT (Value addition track) for assessing students.

- Expert Mr. Nirmesh Kumar suggested to add online quizzes techniques for learning.
- Dr. Nidhi Saxena and Er. Preeti Naval communicated to experts that our students actively participating in Hackthon and win prizes too.

Agenda 6: Certain suggestions were given by Experts regarding research project: -

- Apart from concentrating only on research project on government institution, focus also on private sector like Samsung, Microsoft, Tata etc.
- Experts also suggested that faculty must communicate with proper writing skills for applying the research project

Agenda 7: Discussion on introducing industry-oriented teaching and learning strategies:

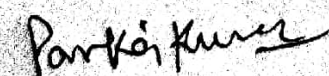

- Expert suggested to provide an advisor to students for the improvement of soft skill. Expert suggested to have some industry-oriented coding classes by center of excellence.
- The internal members communicated the expert about the soft skill classes conducted for 3rd year students as a curriculum by the external agencies.

Agenda 8: Alumni Er. Ishika Singh suggested that time and space should be given by the college so that student can participate easily in extra-curricular activities.

Agenda 9: Other suggestions by the experts:

- To include Personality Development classes for Overall enhancement of students.
- To include various technical clubs like- Robotic and Coding club in this regard committee members communicated to experts about the clubs which are already existing in the college.
- To promote senior students for supporting juniors in technical activities.

The meeting was ended by Dr. Nidhi Saxena with the vote of thanks to all the PAC members.
