Mr. Ratan Rajan Srivastava welcomed the members in the meeting and Dr. Pankaj Kumar shared the agenda of the meeting. Thereafter the formal meeting started with the discussion of each point on the agenda. The following points were discussed in the meeting:

Agenda 1: Course Outcomes for odd semester of session 2024-25 were put up in the meeting and discussed with the external members. The proposed Course Outcome for the following Courses were discussed with external members as it is not provided by AKTU or not appropriate: -

- BCS – 058 – Data Warehousing & Data Mining (Not appropriate, Faculty have reframed it)
- BCS – 053 – Computer Graphics (Not in unit wise, Faculty have rearranged it unit wise)
- BCS – 503 – DAA (Not in unit wise, Faculty have rearranged it unit wise)
- BCS – 301- Data Structure (Not in unit wise, Faculty have rearranged it unit wise)

Convener Dr. Pankaj Kumar also described the process of CO-PO mapping process.

- Convener Dr. Pankaj Kumar told the experts that the faculty prepares the course plan accordingly and takes lectures.

Agenda 2: Identified Curriculum gaps were discussed. Few suggestions were given by PAC members—

- For BCS – 058 – Data Warehousing & Data Mining, practical implementation of data warehouse tools is missing. The committee suggested to show practical implementation on WEKA tool (Freeware) during classes.
- For BCC-302, program implementation with DBMS concepts. As DBMS subject will be taught in 3rd Year so it was suggested by the expert Dr. Vikrant Bhateja to implement this thing in 3rd Year.

- The committee accepted all the proposed corrective measures for fulfilling the gaps.

Agenda 3: Discussion related to publication in high impact Journal/Conference/Book etc.

- Expert Dr. Vikrant Bhateja suggested to promote faculty for publication in collaboration with students.
- Convener communicated to experts that for promoting research activities there is a research incentives policy in the college under which faculties are monetary benefited.
- It was suggested by the committee to conduct a session on Journal Citation Ranking (JCR) to improve the quality of research publication.

Agenda 4: Discussion made for addition of VAT (Value addition track) for assessing students.

- Expert Dr. Manoj Gupta and Vikrant Bhateja both suggested to motivate students to apply for projects of UPCST scheme etc.
- Expert Dr. Manoj Gupta suggested that training should be given on soft skills and industry-oriented technical topics to students. Convener Dr. Pankaj Kumar said that it is already in implementation in the form of ARBT, SSBT & TCBT Classes.
- It was suggested by experts that a creative and informative poster/model presentation activity should be done by the students to enhance their creativity and communication.

Agenda 5: Discussion on Modern Teaching ICT infrastructure & tools

- Experts suggested that every classroom must be equipped with LCD projectors.
- Er. Siddharth suggested that in the market portable small size projectors are available in low cost. The department should have at least 3-4 projectors, so that faculty can easily use it in classroom and Lab also.

Agenda 6: Discussion on introducing industry-oriented teaching and different practices to enhance employability skill enrichment

- Expert Satyendra Gupta suggested to motivate students to participate in various free internship programs. He also talked about **the PM Internship Scheme 2024**.
- The internal members communicated with the expert about the soft skill classes conducted for 3rd year/4th year students as a curriculum.

Agenda 7: Alumni Er. Siddharth praised that assessment pattern of the college. He also suggested that the students should be motivated to take this assessment positively.

Agenda 8: Other suggestions by the experts:

- To know and to enhance Indian culture and heritage there should be an educational trip for the students.

The meeting ended with Mr. Ratan Rajan Srivastava with a vote of thanks to all the PAC members.
