

MINUTES OF MEETING

From: Mechanical Engineering Department

To All the Concerned

No. SRMGPC/ME/MOM/PAC/2022-23/Even/3

Date: 18 March 2022

PAC MEETING 2022-23 (Even Semester)

Online Meeting	Day & Date:	Saturday 18 March 2023	Time:	11.00 AM
	Platform:	Google Meet		
Chaired By:		HOD ME	Coordinated By:	PAC Member Secretary (ME)
Attendees:		1. Er. A. K. Rathore 2. Er. Sunil Kumar Yadav 3. Dr Amit Medhavi 4. Mr Anand Shukla 5. Er. Nikhil Bajpai 6. Er. Akhil Pandey 7. Er. Parmod Kumar 8. Er. Vivek Agnihotri 9. Er. Shivendra Srivastava 10. Er. Mayank Kumar

S. No.	Points Discussed	Conclusion
1.	Analysis and Approval of CO attainment of all the subjects taught in the odd semester 2022-23. a) Both manual and Automatic CO attainment procedure was shared with PAC members. b) External member wants to know the method adopted to calculate CO attainments. c) Procedures for finding the CO attainment were explained by BOS Member Secretary.	It was concluded that each Faculty needs to find the Attainment manually for their subject, and a realistic target should be set up for each.

2	Discussion to include additional topics in the AKTU syllabus to meet the industry requirements for the even semester 2022-23. a) Industry representative suggested including subjects related to Quality in the syllabus as they found that students need to gain the concept of quality and help to fulfil the requirement of present-day quality standards in manufacturing. b) Practical should be industry oriented. It was suggested to include extra Industrial visits/workshops/invited guest lecture from an industry representative	a) It was concluded to conduct guest lectures, workshops or short-term courses through NPTEL for the quality-related subject. b) Details action plan for the industrial visit/workshop/invited Guest lecture is already in place, which needs to be implemented in letter and spirit
3	Approval of Identified Curriculum gaps for even semester 2022-23. a) External members suggested improving the presentation skill of all the students from the First year itself. b) Design and Analysis must be added to all the Project topics so that students may have some hands-on in both fields to enhance their problem-solving skills	a) The idea is to be put up in academic council meetings for implementation of point(a) in the best possible way. b) Department is already doing the same with most of the project topics.
4	Discussion, verification and approval of course outcomes and CO-PO mapping for subjects running in the even semester 2022-23. a) List of Modified COs as well AKTU COs were shared for the approval	All modified Cos were discussed and are approved verbally by PAC. It is also shared with all PAC members for their valuable suggestions.

Er. A. K. Rathore

ACTION TAKEN REPORT ON PAC

Department:	Mechanical Engineering	Session:	2022-23 (Even Sem)
Reference No.:	SRMCEM/ME/MOM/2022-23/even/03	Date of PAC :	18/03/2023

S. No.	Agenda(s)	Action Taken
1	Analysis and Approval of CO attainment of all the subjects taught in the odd semester 2022-23. a) Both manual and Automatic CO attainment procedure was shared with PAC members. b) External member wants to know the method adopted to calculate CO attainments. c) BOS Member Secretary explained the Procedures for finding the CO attainment.	a) All faculty members were asked to calculate the CO attainments to understand the procedure manually. b) Faculties are advised to frame their COs if AKTU COs fail to satisfy the objective. c) The target of CO-attainment should be set by faculty as per B2 Level provided in assessment tools.
2	Discussion to include additional topics in the AKTU syllabus to meet the industry requirements for the even semester 2022-23 a) Industry representative suggested including subjects related to Quality in the syllabus as they found that students need to gain the concept of quality and help to fulfil the requirement of present-day quality	a) Plan to Conduct a seminar/ webinar or Guest Lecture on Quality related topics to improve the knowledge of students in the above-mentioned field

	standards in manufacturing. b) Practical should be industry oriented. It was suggested to include extra Industrial visits/workshops/ guest lectures from an industry representative	b) Strictly follow the Detail Action for the conduction of industry-oriented visits/ workshop
3	Approval of Identified Curriculum gaps for even semester 2022-23. a) External members suggested improving the presentation skill of all the students from the First year itself. b) Design and Analysis must be added to all the Project topics so that students may have some hands-on in both fields to enhance their problem-solving skills	a) This point will be raised in the Academic council meeting to improve their presentation skill from the first-year level. b) We keep in mind to add selected words while finalising the project topics, which is in our regular practice too.
4	Discussion, verification and approval of course outcomes and CO-PO mapping for subjects running in the even semester 2022-23. a) List of Modified COs as well AKTU COs were shared for the approval	a) All the COs were approved, and the copy of Modified and existing COs were sent to all members

Signature of HoD: Er. A K Rathore
