S. No.	Points Discussed	Conclusion
1.	Analysis and Approval of CO attainment of all the subjects taught in even semester 2021-22. a) CO of all the subject were already approved in the previous PAC meeting. b) CO attainment Data was shared with PAC members and discussion was done on the procedure adopted and target set by the college.	Done It was suggested to that all faculty members are now aware about the manual procedure of finding the attainment.

2	Discussion to include some additional topics in AKTU syllabus to meet the industry requirements for odd semester 2022-23. a) Industry person informed that students at entry level lacks practical approach to solve the problem. b) Students should be motivated to do some professional courses through professional bodies like NPTEL.	It was suggested to include extra webinar/Industrial visit/workshop/invited guest lecture from industry representative All faculties have registered themselves in NPTEL courses and students are also motivated to do it.
3	Approval of Identified Curriculum gaps for odd semester 2022-23. a) Due to removal of Seminar from Third year students are lagging in presentation skill. b) Project should be completed by seventh semester and eighth semester should be devoted for writing research paper/ IPR filling.	As per suggestion of IIC presidents it was concluded that during IIC activities, students should present their ideas which will improve their presentation skills To be put up in academic council meeting for implementation of best possible.
4	Discussion, verification and approval of course outcomes and COPO mapping for subjects running in odd semester 2022-23. a) List of CO's of first year AKTU syllabus (specially BME101 / BME201, BCE151/ BCE251, BWS151/ BWS251) were discussed and was approved.	CO's have been approved verbally.
