13th Feb. 2025

Program Assessment Committee

The program assessment committee meeting for the Department of Mechanical Engineering will be held on 15th Feb. 2025 at 01:00 PM. The following PAC members will attend this meeting.

S. no.	Name	Designation	Role
1	Er. A. K. Rathore	Assistant professor and Head (ME), SRMCEM, Lucknow	Convener
2	Prof.(Dr.) Manoj Kumar	Director, School of Engineering and Technology, IFTM University Moradabad	External Member Academics
3	Dr. Ajay Suryavanshi	Associate Professor Department of Mechanical Engineering, Bundelkhand Institute of Engineering and Technology, Jhansi (UP)	External Member Academics
4	Er. Vishal Shukla	Lecturer, Department of Mechanical Engineering, Hewett Polytechnic, Lucknow (UP)	Academics & Alumni Representative
5	Er. Gaurav Singh	Executive Engineer, Irrigation and water Resources Department. UP Government	Industry Representative
6	Prof. (Dr.) Parul Gupta	Deputy Director (A) SRMCEM, Lucknow	Special Invitee
7	Dr. Manish Nigam	Dy. Director and Head (CE), SRMCEM, Lucknow	Special Invitee
8	Dr. Sunil Kumar Yadav	Assistant professor, SRMCEM, Lucknow	Member Secretary
9	Er. Parmod Kumar	Associate Dean-AQAC, SRMCEM, Lucknow	Member
10	Er. Vivek Agnihotri	Assistant professor, SRMCEM, Lucknow	Member
11	Er. Shivendra Srivastava	Assistant professor, SRMCEM, Lucknow	Member
12	Er. Mayank Kumar	Cultural Secretary, SRMCEM, Lucknow	Member
13	Er. Sudhir Katiyar	Assistant professor, SRMCEM, Lucknow	Member

Put up for approval please.

S. No.	Agenda Points	Conclusion
1.	Strengthen industry-academia collaboration by enhancing internships, guest lectures, and real-world project opportunities. Er. Gaurav Singh and Er. Vishal Shukla recommended to students to pursue an internship in the industry to gain practical exposure. Prof. (Dr.) Manoj Kumar proposed to organize a guest lecture by an industry experts in the department.	Department will explore the possibilities of internship opportunities and ask student to pursue it. Guest lecture from industry expert will be arranged

	Prof. (Dr.) Parul Gupta suggested to establish a collaboration between the college and industry to provide internship opportunities for second and third-year students.	The department will explore collaboration between industries.
2	Encourage interdisciplinary collaboration in the Institute for the improvement in B. Tech. final year projects. Prof. (Dr.) Manoj Kumar, Dr. Ajay Suryavanshi, Dr. Manish Nigam and others proposed fostering collaboration between departments to assign interdisciplinary projects to final-year students. Their suggestion aims to bridge the gap between various fields of study, enabling students to work on projects that integrate knowledge and skills from multiple disciplines.	Multidisciplinary project from other departments will be explored for third year students.
3	Enhance research and publication prospects by boosting involvement in conferences, competitions and collaborations with reputed institutions. Prof. (Dr.) Parul Gupta and Dr. Ajay Suryavanshi suggested to join professional society to the faculty members and the students of the department to boost up the research activities in the department.	Faculties will be given targets to publish a research paper and join some professional society.

4	Modernize laboratory infrastructure and practices by upgrading equipment and ensuring alignment with industry standards and research needs. To promote industry standard, department need to upgrade laboratory infrastructure in a phase manner. Er Gaurav Singh suggested to collect some case studies from industry on which student could works on and for that industry infrastructure may be utilized.	Few industry-oriented project/ case studies will be shared with the student.
5	Approval of Identified Curriculum gaps for the even semester 2024-25. Current curriculum does not include the automobile engineering as a core subject in mechanical engineering department. As a Mechanical Engineer, each students have a basic knowledge about the automobile engineering. Er. A. K. Rathore (HoD, ME) put this curriculum gap for the discussion in PAC meeting. The PAC members are proposed to conduct guest lectures, webinar and NPTEL online courses in the field of automobile engineering.	Third year students will be motivated to join NPTEL moocs course for the same
6	Discussion, verification, and approval of course outcomes and COPO mapping for subjects running in the even semester 2024-25. The CO's of even semester (2024-25) have been discussed and approved by the PAC members.	Done
