

SHRI RAMSWAROOP MEMORIAL COLLEGE OF ENGINEERING & MANAGEMENT

Department of Civil Engineering

11th August 2025

SRMCEM/CE/PAC/2025-26/170

Sub: Composition of Program Assessment Committee (PAC)

Department of Civil Engineering, SRMCEM has nominated the following members for the Program Assessment Committee for the Odd semester of session 2025-26. Meeting to be held on 14.08.2025.

- | | | |
|-----|----------------------------|---|
| 1. | Prof. (Dr.) Manish Nigam | Convener
Deputy Director & HoD - CE |
| 2. | Er. Neha Singh | Member Secretary
Assistant Professor – CE |
| 3. | Er. Akhil Pandey | Member
Assistant Professor – CE |
| 4. | Er. Arjit Verma | Member
Assistant Professor – CE |
| 5. | Er. Avneesh Tiwari | Member
Assistant Professor – CE |
| 6. | Dr. Utkarsh Mishra | Member
Assistant Professor – CE |
| 7. | Er. Akhilesh Kumar Rathore | Special Invitee (Internal)
HOD-ME, SRMCEM, Lucknow |
| 8. | Er. Divyanshu Shukla | Alumni (B.Tech. – CE 2014-18)
State Climate Fellow (Uttar Pradesh), Climate Group |
| 9. | Dr. Shiv Sai Trivedi | Alumni (B.Tech – CE 2013-17)
Assistant Professor (Civil Engineering Department, NICMAR) |
| 10. | Er. Rajat Khare | Industry Expert
Structural Designer, Suyash Consultants, Lucknow |
| 11. | Dr. Deepesh Singh | Academic External Member
Professor, HOD-CE, HBTU, Kanpur |

M. Nigam
11/08/2025
Prof. (Dr.) Manish Nigam
HOD – CE

B. Kumar Chauhan
11/08/2025
Prof. (Dr.) Bhavesh Kumar Chauhan
Director

Department of Civil Engineering

SRMCEM/CE/PAC/2025-26/180

11th Aug 2025

AGENDA POINTS

The agendas of Program Assessment Committee are given as under:

Agenda-1: Review the action taken on points from the previous PAC meeting and confirm the status of implementation.

Agenda-2: Revalidate the department's Vision and Mission, and review Program Specific Outcomes (PSOs) and Program Educational Objectives (PEOs) for continued relevance.

Agenda-3: Verify and approve Course Outcomes (COs) and CO-PO/PSO mappings for all subjects offered in the current semester.

Agenda-4: Identify any curriculum gaps and propose realistic activities such as targeted webinars, guest lectures, or industrial visits to address them.

Agenda-5: Assess the adequacy of academic resources, including library materials and e-resources, in line with current curriculum and emerging areas.

Agenda-6: Review the process of continuous assessment and the attainment of COs, POs, and PSOs through quizzes, assignments, lab evaluations, and projects.

Agenda-7: Formulate an actionable academic plan for the semester, including workshops, skill development programs, and collaborative activities with industry or other departments.

Agenda -8: Discuss and review the final-year syllabus content and implementation plan for **BCE751: Integrated Civil Engineering Lab** and **BCE754: Startup and Entrepreneurial Activity Assessment**, ensuring alignment with course objectives, expected learning outcomes, and practical feasibility.

Minutes of Meeting of Programme Assessment Committee of the Department of Civil Engineering

Prof. (Dr.) Manish Nigam welcomed all the respected members in the meeting.

The meeting of the Programme Assessment Committee of the department of Civil Engineering was held on 14 February 2025. The following are the PAC members:

- | | | |
|-----|----------------------------|--|
| 1. | Prof. (Dr.) Manish Nigam | Convener
Deputy Director & HoD - CE |
| 2. | Er. Neha Singh | Member Secretary
Assistant Professor – CE |
| 3. | Er. Akhil Pandey | Member
Assistant Professor – CE |
| 4. | Er. Arjit Verma | Member
Assistant Professor – CE |
| 5. | Er. Avneesh Tiwari | Member
Assistant Professor – CE |
| 6. | Dr. Utkarsh Mishra | Member
Assistant Professor – CE |
| 7. | Er. Akhilesh Kumar Rathore | Special Invitee (Internal)
HOD-ME, SRMCEM, Lucknow |
| 8. | Er. Divyanshu Shukla | Alumni (B.Tech. – CE 2014-18)
State Climate Fellow (Uttar Pradesh),
Climate Group |
| 9. | Dr. Shiv Sai Trivedi | Alumni (B.Tech – CE 2013-17)
Assistant Professor (Civil Engineering
Department, NICMAR) |
| 10. | Er. Rajat Khare | Industry Expert
Structural Designer, Suyash Consultants,
Lucknow |
| 11. | Dr. Deepesh Singh | Academic External Member
Professor, HOD-CE, HBTU, Kanpur |

The following Agenda were discussed:

Agenda-1: Review the action taken on points from the previous PAC meeting and confirm the status of implementation.

Agenda-2: Revalidate the department's Vision and Mission, and review Program Specific Outcomes (PSOs) and Program Educational Objectives (PEOs) for continued relevance.

Agenda-3: Verify and approve Course Outcomes (COs) and CO-PO/PSO mappings for all subjects offered in the current semester.

Agenda-4: Identify any curriculum gaps and propose realistic activities such as targeted webinars, guest lectures, or industrial visits to address them.

Agenda-5: Assess the adequacy of academic resources, including library materials and e-resources, in line with current curriculum and emerging areas.

Agenda-6: Review the process of continuous assessment and the attainment of COs, POs, and PSOs through quizzes, assignments, lab evaluations, and projects.

Agenda-7: Formulate an actionable academic plan for the semester, including workshops, skill development programs, and collaborative activities with industry or other departments.

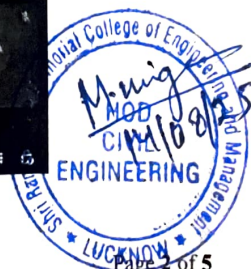

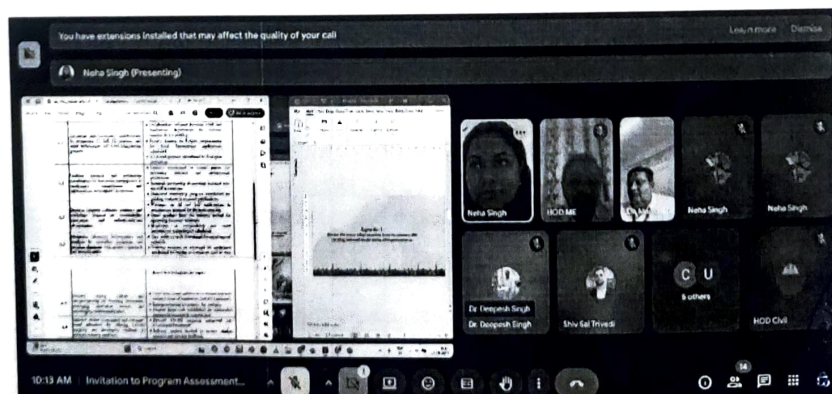

Agenda -8: Discuss and review the final-year syllabus content and implementation plan for **BCE751: Integrated Civil Engineering Lab** and **BCE754: Startup and Entrepreneurial Activity Assessment**, ensuring alignment with course objectives, expected learning outcomes, and practical feasibility.

Discussion:

1. Review of Action Taken on Previous PAC Meeting Points

Speaker: Neha Singh

- Presented the Action Taken Report from the last PAC meeting (11 Feb 2025).
- Highlighted syllabus updates, research publications, workshops, and sustainability initiatives.
- ATR accepted.

2. Revalidation of Vision, Mission, PSOs, and PEOs

Speaker: Neha Singh; Remarks: Dr. Deepesh Singh, Prof. (Dr.) Manish Nigam

- Vision, Mission, PSOs, and PEOs presented for review.
- All members agreed they remain relevant; no changes proposed.

3. Verification and Approval of CO-PO-PSO Mapping

Speaker: Neha Singh

- Presented current semester's CO-PO-PSO mapping sheets.
- Approved by members with minor editorial adjustments.

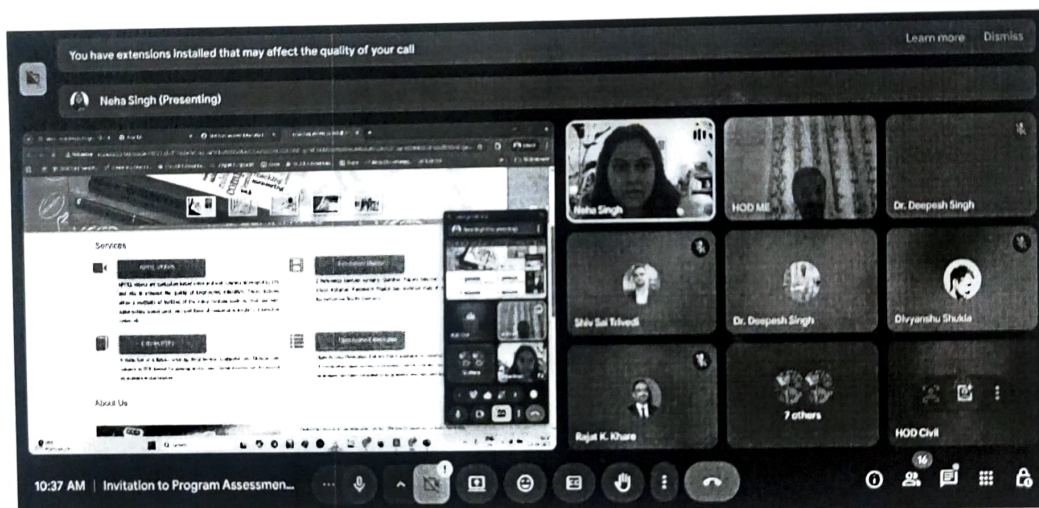

4. Identification of Curriculum Gaps and Proposed Activities

Speaker: Neha Singh; Remarks: Dr. Deepesh Singh

- Suggested targeted webinars, guest lectures, and industrial visits.
- Industrial visit to Remote Sensing Institute proposed for Geoinformatics exposure.
- AI/ML applications in Civil Engineering identified as an advanced topic to be added.

5. Academic Resources and Library Support

Speaker: Neha Singh; Remarks: Dr. Deepesh Singh, Divyanshu Shukla

- Presented updated departmental library and e-resources list.
- Suggestions to add specialised books in construction management and environmental engineering.
- Divyanshu Shukla shared link to Clean Construction Practices Handbook for circulation.

6. Continuous Assessment and Outcome Attainment

Speaker: Neha Singh

- Report on how quizzes, assignments, lab evaluations, and attainment analysis are performed, was discussed.

- Intense academic audit by institution showed compliance with quality standards.

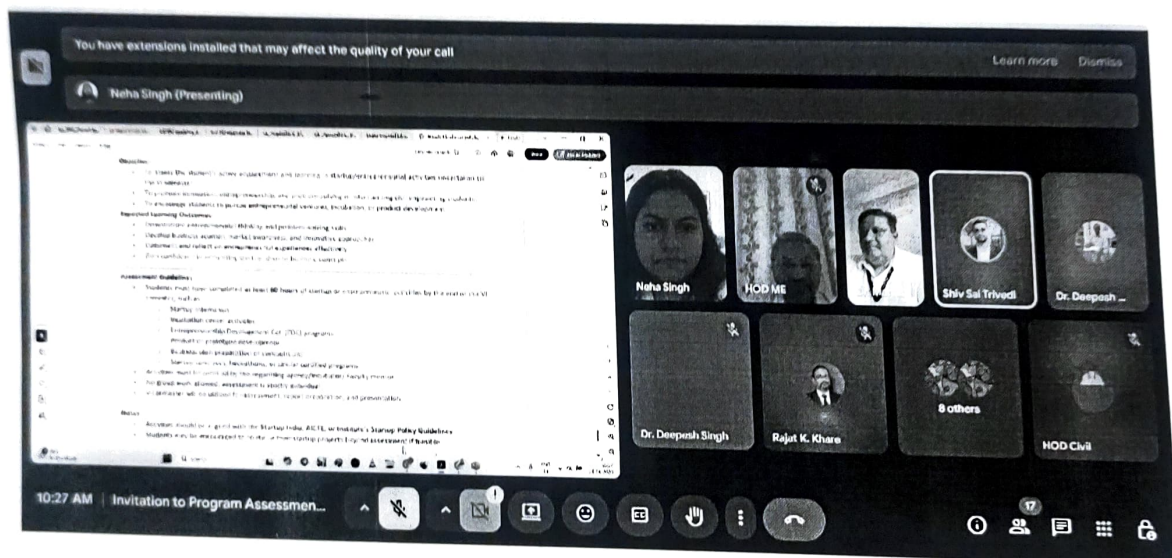

7. Academic Plan for the Semester

Speaker: Neha Singh; Remarks: Dr. Deepesh Singh

- Finalised plan includes webinars on AI in Construction/ Green Building Practices, / Sustainable Waste Management.
- Workshops on entrepreneurship, project management, and software tools.
- Industrial visits to Remote Sensing Institute and Rise Eleven eco-products site confirmed.

8. Review of Final-Year Syllabus for BCE751 & BCE754

Speakers: Neha Singh, Dr. Shiv Sai Trivedi, Divyanshu Shukla, Er. Rajat K. Khare

- **BCE751:** Integrated Civil Engineering Lab – discussed multidisciplinary experiments, software tools, and reporting.
- **BCE754:** Startup & Entrepreneurial Activity Assessment – focus on 60+ hours of certified entrepreneurial activity, prototype development, business plan competitions.
- Dr. Shiv Sai Trivedi proposed linking entrepreneurship to sustainability through waste utilisation and 3D printing by-products.
- Divyanshu Shukla suggested service-based startup ideas for clean construction practices.
- Er. Rajat K. Khare recommended industry-aligned product development projects.
- Final-year syllabus approved with suggested enhancements.

SHRI RAMSWAROOP MEMORIAL COLLEGE OF ENGINEERING AND MANAGEMENT

Department:	Civil Engineering	Session:	2025-26 (Odd Sem)
Reference No.:	SRMCEM/CE/PAC/2025-26/2.2	Date of PAC:	14/08/2025

Action Taken

S. No.	Agenda(s)	Action Taken
A.1	Agenda-1: Review the action taken on points from the previous PAC meeting and confirm the status of implementation.	ATR & its compliance presented and discussed in meeting; points marked as "completed" documented in PAC records.
A.2	Agenda-2: Revalidate the department's Vision and Mission, and review Program Specific Outcomes (PSOs) and Program Educational Objectives (PEOs) for continued relevance.	Vision, Mission, PSOs, and PEOs retained without modification. Reviewed documents stored in departmental PAC folder for record.
A.3	Agenda-3: Verify and approve Course Outcomes (COs) and CO-PO/PSO mappings for all subjects offered in the current semester.	All mappings revised, will be signed by HoD, and uploaded to departmental drive for faculty access. Minor edits incorporated.
A.4	Agenda-4: Identify any curriculum gaps and propose realistic activities such as targeted webinars, guest lectures, or industrial visits to address them.	Dates proposed for: (a) Webinar/Expert Lecture on Robotics/AI/ML in Civil), (b). Industrial visit to Remote Sensing Institute scheduled for September 2025.
A.5	Agenda-5: Assess the adequacy of academic resources, including library materials and e-resources, in line with current curriculum and emerging areas.	List of recommended books are forwarded to library committee every month. Clean Construction Practices Handbook link circulated to all faculty and PAC members.
A.6	Agenda-6: Review the process of continuous assessment and the attainment of COs, POs, and PSOs through quizzes, assignments, lab evaluations, and projects.	Semester quizzes will be conducted as per academic calendar in 2025; Attainment data to be compiled by Dec 2025 for departmental review.
A.7	Agenda-7: Formulate an actionable academic plan for the semester, including workshops, skill development programs,	Guest Lecture on "Renewable Energy Resources" fixed for Oct 2025; Workshop on "Total Station" Nov 2025. Industrial visits to

	and collaborative activities with industry or other departments.	Remote Sensing Institute and Rise Eleven eco-products confirmed with respective organisations.
A.8	Agenda -8: Discuss and review the final-year syllabus content and implementation plan for BCE751: Integrated Civil Engineering Lab and BCE754: Startup and Entrepreneurial Activity Assessment , ensuring alignment with course objectives, expected learning outcomes, and practical feasibility.	Initiated contact with <i>Rise Eleven Eco Products</i> for an industrial visit in November 2025 to observe C&D waste recycling and product development processes. Coordinated with the Institution's Innovation Council (IIC) to integrate pitching sessions and business model canvas workshops for BCE754 students.
