The meeting of the PAC of the MCA Department was held on 30, October 2023. The following PAC members were present:

1. Dr Qaim Mehdi Rizvi	Convener
2. Prof. Gaurav Mishra	Member Secretary
3. Mr Sanjay Kumar Pandey	Member
4. Ms Archana Singh	Member
5. Ms Khushnuma Ashraf	Member
6. Mr. Badal	Member
7. Dr Shalini Chandra	External Member (Academic)
8. Mr Mahim Mishra	External Member (Industry)
9. Mr Ravi Gupta	Special Invitee
10. Dr Pankaj Kumar	Special Invitee

The following agendas were taken:

Agenda 1: Discussion of Curriculum Gaps in the Two-Year MCA Program.

- It was discussed amongst members of the PAC that the duration of the MCA Programme had changed from a three-year course to a two-year course, leading to new challenges.
- After a deep discussion of subject-related gaps and to fulfil these gaps what activities should be planned like GUEST LECTURES, WORKSHOPS etc. related to the industry requirement like Python, R, Data Science etc. should be conducted.
- It was informed by the HoD that a subject (Mini Project KCA-353) didn't have a defined CO-PO in the syllabus given by the university. Therefore, a CO-PO mapping for the subject was put up in the PAC for approval and it has been approved.

Agenda 2: Issue of Imparting Universal Human Values to the Students of the MCA Program

- As it is clear that in MCA, we don't have any UHV subjects, so we have to promote community engagement activities like BLOOD DONATION, TEACHING POOR PEOPLE, providing some CLOTHES to such people etc.

- We must send a letter of reminder of the mail previously sent to AKTU through proper channels requesting them to incorporate the UHV course in the MCA syllabus.

Agenda 3: Promote research activity in the MCA department

- It was discussed to spread awareness and importance of RESEARCH WORK, INNOVATION and PATENTS among faculty and students.
- The HoD given proposal and members agreed that the paper quality should be as high that the paper must be accepted in SCOPUS indexed journal/conference.

Agenda 4: Any Other Point (with the permission of the Chair)

- We promote activities like industrial visits, HR conclaves to promote INDUSTRY and TECHNOLOGY awareness among the students.
- We proposed some GUEST LECTURES that focused on the relationship between Industry and the students.
