11th October 2025

Minutes of Meeting of Program Assessment Committee

The Program Assessment Committee meeting for the Department of Computer Applications was held on 10 October 2025 at 1:00 pm. The following members were present in the meeting.

1	Prof. Gaurav Mishra	Convener
2	Mr. Sanjay Kumar Pandey	Member Secretary
3	Prof. Ajay Kumar Srivastava	Special Invitee
4	Ms. Archana Singh	Member
5	Mr. Jayhind Yadav	Member
6	Dr. Pawan Kumar	External Faculty Expert
7	Mr. Vaibhav Raj Pandey	Industry Representative
8	Mr. Ashish Arora	Alumni Representative

The following points were discussed in the meeting

1. Recap of the previous PAC meeting was discussed.
2. The Course Outcomes and CO-PO Mapping for the subjects of odd semester of session 2025-26 were discussed and the same were approved by the PAC.
3. The students of MCA (Sem II) had undergone Internship during semester break before the start of the third semester. The Internship was conducted through SRDT. A feedback from the department with the students was taken and felt that more time should be devoted for the program. This feedback was discussed with the members of the PAC. The following suggestions were given by the members:
 - i. More time wasn't feasible due to the time constraints in between the two semesters.
 - ii. A Value added Workshop on latest technology should be conducted in between the coming semester for keeping the continuity. .
4. Promotion of Research Culture in the Department: In order to enhance the Research Culture in the department, it was concluded that all faculty members who have still not enrolled in any Ph.D Program should get themselves registered in the coming year and also utilize the facilities/opportunities given by the college.
5. Improvement of Placement Scenario of the Students: In order to improve the Placement of the students and also their competency, it was suggested that a Training Program focusing on soft skills, aptitude and technical requirement by the Industry should be conducted after the odd semester and start of even semester.
6. Incorporating ethics, professional responsibility and societal impact: After deliberation, it was concluded that for integrating ethics and human values, various activities such as Community Engagement Programs, Expert Talks, Workshops, Department-level discussions etc may be taken during the coming semester.
