Agenda 6: Discussion on Action Plan for the coming academic session

In practice: Course conduction of approx. 40 hrs. per course ensures strong fundamentals.

Proposed: Focus on: -

- **Hands-on Projects Development Practice**
- **Corporate Interaction/Collaboration**

Suggestions: The members have formally suggested providing students with an external internship opportunity.

Agenda7: Any other point with the prior approval of the convener:

As per the curriculum of Dr. A.P.J. Abdul Kalam Technical University (AKTU), BCC-402 (Python Programming) is prescribed as a theory paper; however, there is no dedicated laboratory component. Due to the absence of practical exposure, students are facing difficulties in developing proper programming skills and conceptual clarity.

The members of the committee have strongly suggested that a Programming Language Laboratory should be introduced for BCC-402 (Python Programming).

The meeting ended with Mr. Ratan Rajan Srivastava with a vote of thanks to all the PAC members.
