9. Er. Aman Srivastava	Alumni

Mr. Ratan Rajan Srivastava welcomed the members in the meeting and Dr. Pankaj Kumar shared the agenda of the meeting. Thereafter the formal meeting started with the discussion of each point on the agenda. The following points were discussed in the meeting:

Agenda 1: Discussion on Action Taken Report (ATR) of previous PAC meeting (Session 2024-25 even semester): Members were satisfied with the report.

Agenda 2: The PAC has Reviewed the Vision, Mission, Program Specific Outcomes (PSOs) and Program Educational Objectives (PEOs) and found it Satisfactory.

Agenda 3: Approval of Course Outcome for odd semester of session 2025-26 (if there is any change from AKTU): Convener Dr. Pankaj Kumar told the experts that in one course (Blockchain Architecture Design) BAI071; only 4 COs were given by university; for which 4th CO need to be bifurcated into two as CO4 and CO5 to support CO-PO attainment calculation.

Suggestions by Experts:

- To reflect 5th CO proposed as above, Mr. Rajendra Kalra (Industry Expert) suggested to identify use cases relevant to Govt. Projects viz. MANREGA etc. to have assistance leveraging Blockchain Applications

Agenda 4: Discussion on Curriculum Gaps: Convener Dr. Pankaj Kumar proposed the following points to the experts:

- The course Cloud Computing (BCS – 071) has no lab associated in the Syllabus.
- Theory component in BCS353 (Web Designing Workshop) course of 2nd yr is required in curriculum because only lab component is not sufficient for understanding the

course.

Suggestions by Experts:

- Specific projects/seminar/guest lectures on cloud computing and web technology should be conducted from Experts/Professionals from Industry/Academia.

Agenda 5: Discussion of Academic Resource and Library Support: Following suggestion have been

- Committee proposed the institute should have Institutional Membership of Scopus/IEEE explore/ORCID.

Agenda 6: Continuous Assessment, Evaluation and Attainment of Outcomes were discussed. Few suggestions were given by PAC members—

- CO-PO Mapping should be included in project report.
- Mr. Rajendra Kalra (Industry Expert) suggested that, for Novelty based Project, ideas from NIELIT/NIC/TCS etc. may also be explored.

Agenda 7: Discussion on Action Plan for the coming academic session: Committee proposed the following points that need to be focused on:

- Er. Aman Srivastava (Alumnus) highlighted the need for interview preparation support from the college well in advance of placement drives. He suggested that interactive sessions for pre-final year students with recruitment teams be arranged, to provide valuable insights on resume building and related skills.
- Dr. Vikrant Bhateja & Er. Aman Srivastava (Alumni) highlighted that the subjects which are non- Technical should have 30 lectures rather than 40 lectures and the remaining hours should be used for placement preparations.

Agenda 8: Any other point with the prior approval of the convener:

- Er. Aman Srivastava (Alumni) suggested that placement preparation activities should start from 3rd semester onwards and must be planned in Timetable.

The meeting ended with Mr. Ratan Rajan Srivastava with a vote of thanks to all the PAC members.
