7.	Dr. Anjani Mishra	Assistant Professor, NSUT, New Delhi	Alumni 2011

2. The Convener, PAC meeting welcomed and introduced external members of Program Assessment Committee and thanked him for sparing his valuable time to attend the meeting.

3. The Member Secretary, PAC meeting with the permission of the Convener, presented the agenda of PAC.

5. The PAC of the department had discussed following agendas:

Agenda 1: A subject related to introduction to “Battery Management System and its Application” should be added in curriculum.

Suggestions: Since the application of battery is in all the major fields of electrical power system. Hence, a core or an elective subject on Battery Management system (BMS) should be included in the curriculum. A letter to the PAC AKTU should be mailed for the approval.

Agenda 2: A circuit simulation lab (BEE-351) in B. Tech 2nd year (3rd semester) should be replaced with any Hands-On lab or PCB designing lab.

Suggestions: The experiments in the circuit simulation lab (BEE-351) are all based on network

system and the students study this subject in 4th semester. Therefore, in place of this subject a lab based on PCB designing can be included with the same credit.

A letter to the PAC AKTU should be mailed for the changes.

Agenda 3: A Power system lab (BEE-551) in B. Tech 3rd year (5th semester) should be replaced with Minor Project lab.

Suggestions: The experiments in the Power system lab (BEE-551) are all software based. Hence in place of this lab a Minor Project can be included.

A letter to the PAC AKTU should be mailed for the changes.

Agenda 4: Honor and Minor subjects should not be restricted for any branch.

Suggestions: A letter to the PAC AKTU should be mailed for the removal of the restrictions.
