Suggestions Given by the PAC Members.	
	1. The list of Minor Degree Subjects should be open to all the students, irrespective of their branch. 2. With reference to the Honors Degree subjects, some practical exposures like knowledge of various sensors etc. is needed. 3. Going by the changing global scenario in terms of drastic developments in the fields of Artificial Intelligence and Machine Learning, elective subjects should be introduced from 2nd year itself. It should be carried in a sequential manner till final year. 4. To learn the different prompts of different AI tools like ChatGpt, OpenAi etc, one day seminar/webinar/workshop should be conducted. 5. More emphasis should be given on confidence building skills among students.

6. The member secretary conveyed vote of thanks to all the members of PAC for their contributions.
