Minutes of Meeting of Program Assessment Committee (PAC)

The Program Assessment Committee meeting for the Department of Applied Science was held on 4th April, 2025 in blended mode.

1. The following PAC members were present in the meeting:

a. Dr. S. Ali Professor, Head of B. Tech First Year SRMCEM, Lucknow.	Even
b. Dr. Vinod Singh Associate Professor, Head of Department of Humanities, SRMCEM, Lucknow.	
c. Dr. Saiful I Ansari Associate Professor, Department of Physics , SRMCEM, Lucknow.	
d. Dr. D. K. Mishra Associate Professor, Department of Chemistry, SRMCEM, Lucknow.	
e. Dr. Anurag Shukla Associate Professor, Department of Applied Science and Humanities, Rajkiya Engg. College, Kannauj (U.P.)	
f. Dr. Vishal Singh Chandel Professor and Head, Department of Applied Science and Humanities, Rajkiya Engg. College, Ambedkar Nagar (U.P.)	
g. Professor S.K.Singh Professor, Department of Applied Science, IET Lucknow.	
h. Dr. N.V.C. Shukla Associate Professor, Department of Mathematics, University of Lucknow.	
I. Mr. Rahul Kapri Founder, Director and CEO Kapri Creation Pvt. Ltd. Lucknow	
Dr. Maitraye Priyadarshini Professor, former HOD, Department of English and Modern European Languages, University of Lucknow.	
k. Mr. Anikesh Singh Yadav	
l. Mr. Ojas Deep Singh	

Agenda 1 : Justification Sheet	PAC members approved the justification sheet with the recommendation that the basic things related to the concerned subject included in the justification sheet must be discussed with students.
Agenda 2: Discussion about Result Improvement	Dr. D. K. Mishra raised the issue that Chemistry paper pattern of AKTU external exam was complex. On this issue PAC recommended to properly approach AKTU, Lucknow regarding change pattern of question paper of Chemistry and the genuine problems faced by students due to this in the exam.
Agenda 3: Enhancing student's engagement in class, assignments and Lab work.	1. Prof. (Dr.) Maitrayi Priyadarshini suggested that the teachers must establish a proper communication with students to ensure their engagement in the class. 2. Prof. (Dr.) N. V. C. Shukla suggested using chalk- duster for the interpretation of science subjects especially to ensure proper understanding of the students in the subjects instead of using PPT and other technical methodology of teaching. Prof. (Dr.) Maitrayi Priyadarshini also added to this point and said that this basic teaching style is quite helpful in engaging students. 3. Prof. (Dr.) Maitraye Priyadarshini suggested that there should not be communication gap between teacher and students. Teaching methodology should be interactive to ensure engagement of students in the class. 4. Prof. (Dr.) Maitrayi Priyadarshini further added that the scientific topics and group discussion must be there in communication lab to engage the students and enhance their communication skills. Teachers should spare at least ten minutes time in their class to involve student in debriefing sessions.
Agenda 4: Time Management and study techniques	Prof. (Dr.) Maitrayi Priyadarshini recommended that the students must be given some basic things related to the subjects whom they need to solve within a time limit. Both teachers and students need to be patient during the teaching and learning process.

Agenda 5: Other if any

1. Regarding enhancing research activity
2. Regarding use of mobile phone in the class
3. Poor Communication skills of the Hindi medium students

Prof. (Dr.) Maitrayi Priyadarshini said that due to overburden neither teacher nor students want to involve themselves in any kind of research activity. Teachers must be given some scope to study for the research purpose.

Prof. N. V. C. Shukla and other members suggested completely banning the mobile phone for students in the class. For this, a store room should be made where especially Ist Year & IInd year students can submit their mobile phone in the morning. However emergency helpline number can be issued for students for emergency.

Dr. Anurag Shukla & Dr. Vishal Singh Chandel suggested that especially Hindi medium students do not also ask question and face problems in getting and sustaining job due to poor communication skills in English. In order to improve communication skills of the students Soft Skills course must be implements in three consecutive semesters of B.Tech.

Action Taken Report (ATR) of PAC

Agenda 1 : Justification Sheet PAC members approved the justification sheet with the recommendation that the basic things related to the concerned subject included in the justification sheet must be discussed with students.	Concerned Subject Faculty Members.
Agenda 2: Discussion about Result Improvement Dr. D. K. Mishra raised the issue that Chemistry paper pattern of AKTU external exam was complex. On this issue PAC recommended to properly approach AKTU, Lucknow regarding change pattern of question paper of Chemistry and the genuine problems faced by students due to this in the exam.	Chemistry Department will approach AKTU Lucknow through Director.
Agenda 3: Enhancing student's engagement in class, assignments and Lab work. 1. Prof. (Dr.) Maitrayi Priyadarshini suggested that the teachers must establish a proper communication with students to ensure their engagement in the class. 2. Prof. (Dr.) N. V. C. Shukla suggested using chalk- duster for the interpretation of science subjects especially to ensure proper understanding of the students in the subjects instead of using PPT and other technical methodology of teaching. Prof. (Dr.) Maitrayi Priyadarshini also added to this point and said that this basic teaching style is quite helpful in engaging students. 3. Prof. (Dr.) Maitraye Priyadarshini suggested that there should not be communication gap between teacher and students. Teaching methodology should be interactive to ensure engagement of students in the class. 4. Prof. (Dr.) Maitrayi Priyadarshini further added that the scientific topics and group discussion must be there in communication lab to engage the students and enhance their communication skills. Teachers should spare at least ten minutes time in their class to involve student in debriefing sessions.	All Faculty Members.

Agenda 4: Time Management and study techniques Prof. (Dr.) Maitrayi Priyadarshini recommended that the students must be given some basic things related to the subjects whom they need to solve within a time limit. Both teachers and students need to be patient during the teaching and learning process.	All Faculty Members.
Agenda 5: Other if any 1. Regarding enhancing research activity Prof. (Dr.) Maitrayi Priyadarshini said that due to overburden neither teacher nor students want to involve themselves in any kind of research activity. Teachers must be given some scope to study for the research purpose. 2. Regarding use of mobile phone in the class Prof. N. V. C. Shukla and other members suggested completely banning the mobile phone for students in the class. For this, a store room should be made where especially Ist Year & IInd year students can submit their mobile phone in the morning. However emergency helpline number can be issued for students for emergency. 3. Poor Communication skills of the Hindi medium students Dr. Anurag Shukla & Dr. Vishal Singh Chandel suggested that especially Hindi medium students do not also ask question and face problems in getting and sustaining job due to poor communication skills in English. In order to improve communication skills of the students Soft Skills course must be implements in three consecutive semesters of B.Tech.	The point is under consideration of higher authorities. We already have formal policy regarding restriction on communication gadgets in the class room however feasibility of point regarding submission of mobiles phones in a store room is under discussion with authorities. Humanities Department will approach competent authorities of AKTU Lucknow via Director regarding inclusion of Soft Skills as course in three consecutive semesters of B. Tech.
