Agenda 1-Result Analysis Odd Sem 2024-25	Dr. Vishal Singh Chandel appreciated the overall result and the process of teaching and learning to achieve the targets. He advised to continue with the same efforts in the future as well.
Agenda 2-Maximizing student's participation in smart India Hackthon (SIH) 2025-26)	Dr. Vishal Singh Chandel appreciated the existing data of student's participation in SIH from B. Tech First Year considering the fact that newly admitted students are unaware of such programs. Regarding maximizing the student's participation in SIH 2025-26, he suggested that the small workshops on SIH should be organized for the students.
Agenda 3-Regarding engagement of students in solving some of the most pressing challenges in technical field and fostering culture of innovation	Prof. (Dr.) R. P. Singh suggested that students should be motivated to join the workshops and seminars and some projects on innovate topics can be assigned to them. He assured to provide a draft regarding such innovative topics for the students.
Agenda 4- Finding ways to encourage students for big academic goal determination and its attainment	Both Prof. Dr. R. P. Singh and DR. Vishal Singh Chandel suggested that students should be motivated / encouraged to join seminars and workshops so that they get inspired to determine big goals and making comprehensive programs to attain them.
