

ME ANNALS

DEPARTMENT OF MECHANICAL ENGINEERING

2024-25

MISSION & VISION

VISION

To achieve global standards in value based education in Mechanical Engineering.

MISSION

M1: To impart high quality application based education to make the students globally competitive.

M2: To foster human values, national ethos, and compassion for environment and society.

M3: To create a productive atmosphere in the department with the motto - 'Sab ka sath, sabka vikas'.

MECHANICAL ENGINEERING

The Mechanical Engineering is equipped well with the well qualified and vibrant professional faculty's dedicated for the betterment of students.

The mechanical Engineering department at SRMCEM has analysis, design, manufacturing and maintenance of mechanical systems as its main functional areas.

The department offers a practical learning experience in the field of heat, fluid, energy, and motion in a mechanical system.

The students of the department have a reputation of makers and problem solvers.

The Mechanical Engineering department of SRMCEM has an excellent faculty base with core competence in Mechanics, Kinematics, Material Sciences and Structural analysis.

The department uses INVENTOR and SOLID WORK software which help students in learning designing, manufacturing, and drafting processes.

An undergraduate degree in Mechanical Engineering from SRMCEM means a solid foundation in the art and science of mechanical engineering through which the ME students can easily compete with the best in their profession.

The various teaching methodologies along with practical knowledge is imparted to the students in the department through industrial visits, Guest Lectures, Invited Talks, Workshops and Seminars.

MESSAGE FROM THE HEAD OF THE DEPARTMENT

It gives me immense pleasure to present ME ANNALS, the annual magazine of the Department of Mechanical Engineering. This publication showcases the academic rigor, research culture, industrial exposure, and holistic development of our students. I sincerely acknowledge and appreciate the dedicated efforts of the faculty members, students, and staff whose continuous contributions have made this magazine possible. I hope that ME ANNALS serves as a source of inspiration for its readers and motivates our students to strive for higher academic and professional excellence.

Er. Akhlish Kumar Rathore

Assist. Professor & Head

Department of Mechanical Engineering

EDITOR'S NOTE

Welcome to the **ME ANNALS** from the Mechanical Engineering department. We're excited to bring you the latest news and developments from our department.

ME ANNALS is the annual departmental magazine of the Department of Mechanical Engineering at Shree Ramswaroop Memorial College of Engineering & Management, Lucknow. The magazine showcases academic excellence, innovative research, student achievements, industrial exposure, faculty initiatives, and vibrant co-curricular activities that define our department.

The constant contribution of students and faculty members made the completion of this magazine a success and I would like to thank them. A special thanks to all the supporting teams and their members.

We hope you enjoy reading this issue and learning more about our department's innovative and impactful work. As always, we welcome your feedback and suggestions for future topics.

Best regards,

Editor-Chief

Er. Sudhir Kr. Katiyar

SEMINARS, WORKSHOPS & GUEST LECTURE , INDUSTRIAL VISIT, CHARITY & SOCIAL WORK

The department organizes workshops, expert talks, seminars, and faculty development programs on emerging areas such as CAD/CAM, robotics, renewable energy, and Industry 4.0.

SPECIAL GUEST SPEAKER

Prof. Gaurav Mishra

UHV Expert & Life Skills Educator

Session Topic

Navigating Student Life: Friends, Trends & Social Pressure

Student life is often heavily influenced by external factors. Prof. Mishra will discuss how **Universal Human Values (UHV)** act as a compass, helping students differentiate between temporary social trends and lasting well-being.

- ✓ Understanding Peer Pressure vs. Social Support
- ✓ The Role of 'Right Understanding' in Decision Making
- ✓ Building Authentic Relationships over Trends

Presentation by Robotic cell of SRMCEM

The Department of Mechanical Engineering at SRMCEM organized a speech competition titled “**Green Energy: The Need of the World – Explore Solutions for Sustainable Future**”, under the banner of the Institution’s Innovation Council.

The Mechanical Engineering Department of SRMCEM celebrated IEEE Day on October 7, 2024

The students of the Mechanical Engineering department visited J.E. Commercial Vehicle Control Systems India Limited, Barabanki

J.E. Commercial Vehicle Control Systems India Limited, Barabanki

The Department of Mechanical Engineering at SRMCEM organized a Clothes Donation Drive

Vishwakarma Puja – Mechanical Engineering Department

The Mechanical Engineering Department of **SRMCEM** celebrated **Vishwakarma Puja** on **17/09/2024** with great devotion and enthusiasm.

ALUMNI TALK

Our alumni are placed in reputed organizations and pursuing higher studies across the globe. Their journey and guidance continue to inspire current students.

FRESHERS

The air was filled with excitement and joy as Sri Ramswaroop College of Engineering and Management, Lucknow (SRCCEM) recently hosted its much-anticipated **Fresher's Day celebration**—a vibrant occasion that marked the arrival of the new batch of students into the college family.

GANTAVYA & ABHIVYAKTI

Sri Ramswaroop College of Engineering and Management, Lucknow, came alive with unmatched enthusiasm and vibrant energy during the grand celebration of **GANTAVYA – Technical Fest** and **ABHIVYAKTI – The Annual Cultural Fest**. These twin flagship events beautifully showcased the essence of SRCEM—where excellence in academics goes hand in hand with physical fitness, creativity, and cultural expression.

FAREWELL & FECILITATION

Shri Ramswaroop College of Engineering and Management, Lucknow, organized a heartfelt **Farewell & Felicitation Ceremony** to bid adieu to the outgoing students while honoring their remarkable achievements and contributions to the institution. The event was a perfect blend of nostalgia, gratitude, and celebration, reflecting the strong bond shared by students, faculty members, and the institution.
