11th Feb., 2026

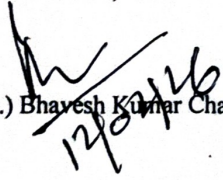

Program Assessment Committee

The program assessment committee meeting for the Department of Mechanical Engineering will be held on 13th Feb., 2026 at 11:00 AM. The following PAC members will attend this meeting.

S. no.	Name	Designation	Role
1	Dr. Sunil Kumar Yadav	Asso. Prof. and Head, Department of Mechanical Engineering, SRMCEM, Lucknow	Convener
2	Prof. (Dr.) Parul Gupta	Dy. Director (Academic) SRMCEM, Lucknow	Internal Member Academic
3	Dr. Sanjeev Kumar Singh Yadav	Professor, Department of Mechanical Engineering HBTU, Kanpur	External Member Academic
4	Er. Ram Bhajan Yadav	Senior Manager, Design, HAL, Lucknow	Industry Representative
5	Er. Siraj Ahmad	Product Manager, Samsung India, Gurgaon, Haryana, India	Alumni Representative B. Tech - ME (2011- 15)
6	Dr. Pankaj Kumar	Professor & Head, Department of Computer Science & Engineering, SRMCEM, Lucknow	Special Invitee
7	Er. Akhilesh Rathore	Assistant Professor, SRMCEM, Lucknow	Member Secretatry
8	Er. Parmod Kumar	Associate Dean-AQAC, SRMCEM, Lucknow	Member
9	Er. Mayank Kumar	Cultural Secretary, SRMCEM, Lucknow	Member
10	Er. Vivek Agnihotri	Assistant professor, SRMCEM, Lucknow	Member
11	Er. Shivendra Srivastava	Assistant professor, SRMCEM, Lucknow	Member
12	Dr. Umesh Kumar Singh	Assistant professor, SRMCEM, Lucknow	Member

Put up for approval please.

Dr. Sunil Kumar Yadav
Asso. Prof. & Head, MED

Prof. (Dr.) Bhavesh Kumar Chauhan
Director

12th Feb., 2026

Program Assessment Committee -Agenda Points

The PAC meeting of the Department of Mechanical Engineering, SRMCEM for the academic year 2025-26 (Even Semester) is scheduled on 13th Feb., 2026 at 11:00 AM in online mode. The agenda points for the PAC meeting are mentioned below. All the members of PAC are requested to attend the meeting at the scheduled time mentioned below.

The details of the PAC meeting are as under:

Topic: PAC Meeting, Department of Mechanical Engineering, SRMCEM, Lucknow

Date: 13th February 2026 (Friday)

Time: 11:00 AM

Mode: Online (Google Meet link):

Video call link: <https://meet.google.com/ptf-aedq-dxo>

The agendas of Program Assessment Committee are given as under:

- Agenda-1** : Discussion on Action Taken Report (ATR) of previous PAC meeting of Session 2025- 26 (Odd Semester).
- Agenda-2** : Discussion on strengthen industry-academia collaboration.
- Agenda-3** : Discussion on B. Tech. project outcomes in terms of research papers, patents etc.
- Agenda-4** : Approval of Identified Curriculum gaps for the Even semester 2025-26.
- Agenda-5** : Discussion on motivation of students for pursuing Higher education
- Agenda-6** : Presentation of Curriculum and Review of AKTU Syllabus for subjects existing in even semester 2025-26.

Dr. Sunil Kumar Yadav
Asso. Prof. & Head, MED

MINUTES OF MEETING

From: Department of Mechanical Engineering

To: All the Concerned

No. SRMCEM/ME/MOM/ PAC/2025-26/Even/10

Date: 13-02-2026

PAC MEETING 2025-26 (Even Semester)

Online Meeting	Day & Date:	Friday 13-02-2026	Time:	11.00 AM – 12.00 PM
	Platform:	Google Meet		
Chaired By:		HOD ME	Coordinated By:	Er. A. K. Rathore
Attendees:		1. Er. Sunil Kumar Yadav Convener 2. Prof. (Dr.) Parul Gupta External Member Academics 3. Dr. Sanjeev Kumar Singh Yadav External Member Academics 4. Er. Ram Bhajan Yadav Industry Representative 5. Er. Siraj Ahmad Alumni Representative 6. Dr. Pankaj Kumar Special Invitee 7. Er. A. K. Rathore Member Secretary 8. Er. Parmod Kumar Member 9. Er. Vivek Agnihotri Member 10. Er. Shivendra Srivastava Member 11. Er. Mayank Kumar Member 12. Er. Umesh kumar Singh Member

S. No.	Agenda Points	Conclusion
1.	Discussion on Action Taken Report (ATR) of previous PAC meeting of Session 2025- 26 (Odd Semester).	ATR of Odd Semester 2025-26 was presented and reviewed. All major action points (internships, expert talks, project monitoring) were found implemented.

2.	Discussion on strengthen industry-academia collaboration. a) Industry representative from Hindustan Aeronautics Limited suggested collaboration for drafting/modelling of 3D design drawings using CAD software (NX/UG). b) Emphasis on semester-long internships in private industries. c) Expert talks per semester from industry professionals.	The department will strengthen industry-academia collaboration through MoUs with industries, projects grants, internships, and regular expert talks by industry professionals.
3.	Discussion on B. Tech. project outcomes its terms of research papers, patents etc. a) Target-based IPR mechanism to be implemented (quarterly patent/design registration targets). b) Industry-based problem statements to be provided for final year projects (with possible financial incentive).	Final year projects will be aligned with Sustainable Development Goals (SDGs) and industry problem statements, while implementing a target-based IPR system to promote patents and research outcomes.
4.	Approval of Identified Curriculum gaps for the Even semester 2025-26. a) Need to strengthen exposure in Automobile Engineering (currently limited in AKTU syllabus). b) Additive Manufacturing to be promoted through lab development and hands-on training. c) Proposal to establish a small Additive Manufacturing/3D Printing Lab (initial low-cost setup).	The department will address the curriculum gaps by organizing guest lectures and hands-on training in Automobile Engineering and Additive Manufacturing, and will initiate steps to establish a basic 3D printing/Additive Manufacturing lab for practical exposure.

5.	Discussion on motivation of students for pursuing Higher education. a) Students to be encouraged for M. Tech/Ph.D., especially for R&D careers in aerospace and automobile sectors. b) Alumni pursuing Ph.D. in reputed institutes to be invited for interaction sessions. c) Awareness sessions on R&D opportunities in public and private industries.	The department will encourage students to pursue higher education (M. Tech./Ph.D.) by organizing alumni interaction sessions and awareness programs on R&D opportunities in industry and academia.
6.	Presentation of Curriculum and Review of AKTU Syllabus for subjects existing in even semester 2025-26.	The curriculum and syllabus of even semester was shared with all experts for their suggestions.
7.	Discussion on Approval of Course Outcomes and CO-PO-PSO mapping for even semester of session 2025-26 (if there is any change from AKTU).	The CO's of even semester (2024-25) have been discussed and approved by the PAC members.

Dr. Sunil Kumar Yadav

ACTION TAKEN REPORT ON PAC

Department:	Mechanical Engineering	Session:	2025-26 (Even Sem)
Reference No.:	SRMCEM/ME/MOM/ PAC/2025-26/Even/11	Date of PAC:	13-02-2026

S. No.	Agenda(s)	Conclusion	Action Taken
1	Discussion on Action Taken Report (ATR) of previous PAC meeting of Session 2025- 26 (Odd Semester).	The Minutes of the PAC meeting of Odd Sem (2025-26) held on 15th February 2025 were communicated to the members. The PAC members approved the action taken report of Even Sem (2024-25) PAC meeting	NA
2	Discussion on strengthen industry-academia collaboration.	Industry representative from Hindustan Aeronautics Limited suggested collaboration for drafting/modelling of 3D design drawings using CAD software (NX/UG). Emphasis on semester-long internships in private industries. Expert talks per semester from industry professionals.	The department has already planned to conduct guest lectures and alumni talks by industry and academic representatives to strengthen industry-academia collaboration. The summer internship program and industrial training have been planned by the Deputy Director's office and placement cell.

3	Discussion on B. Tech. project outcomes in terms of research papers, patents etc.	Target-based IPR mechanism to be implemented (quarterly patent/design registration targets). Industry-based problem statements to be provided for final year projects (with possible financial incentive).	The department consistently guides and motivates students to undertake interdisciplinary and industry-oriented projects. To ensure meaningful project outcomes, additional marks are awarded in the final-year project based on the quality and impact of the outcomes achieved in the form of paper publications, patents, conferences etc.
4	Approval of Identified Curriculum gaps for the Even semester 2025-26.	a) Need to strengthen exposure in Automobile Engineering (currently limited in AKTU syllabus). b) Additive Manufacturing to be promoted through lab development and hands-on training. c) Proposal to establish a small Additive Manufacturing/3D Printing Lab (initial low-cost setup).	To address the identified curriculum gap, a guest lecture will be conducted on 9th March 2026 on the topic “Automobile Transmission: Conventional to Future Emerging Technologies” by Dr. Jitendra N. Gangwar, Assistant Professor, Department of Mechanical Engineering, MNNIT Allahabad, Prayagraj. Additionally, another guest lecture will be organized on 7th April 2026 on the topic “3D Printing: A Key Driver of Industry 4.0 and 5.0.”

5	Discussion on motivation of students for pursuing Higher education.	a) Students to be encouraged for M. Tech/Ph.D., especially for R&D careers in aerospace and automobile sectors. b) Alumni pursuing Ph.D. in reputed institutes to be invited for interaction sessions. c) Awareness sessions on R&D opportunities in public and private industries.	In a regular practice, the department have already planned and will organized alumni talk in every month for the motivation of the students.
6	Presentation of Curriculum and Review of AKTU Syllabus for subjects existing in even semester 2025-26.	The curriculum and syllabus of even semester was shared with all experts for their suggestions.	NA
7	Discussion on Approval of Course Outcomes and CO-PO-PSO mapping for even semester of session 2025-26 (if there is any change from AKTU).	The CO's of even semester (2024-25) have been discussed and approved by the PAC members.	NA
